CALIFORNIA WATER WELL, PUMP & WATER TREATMENT WORKSHOP

February 5, 2025

The Centre at Sycamore Plaza
5000 Clark Ave., Lakewood, CA 90712

PROGRAM

Groundwater Champions

Welcome to the 2025 California Water Well, Pump & Water Treatment Workshop!

The objective of American Ground Water Trust workshops is to provide practical, cost effective solutions and information to help maximize economic return on pumped groundwater. Attendees will have the opportunity to learn about water well drilling methodology selection, well design, pump selection, pump rehab and pump troubleshooting, VFDs, well rehabilitation and water treatment.

Continuing Education

Approved for CA Drinking Water Operators - 4.75 Hours

Certificates are available for all attendees upon completion of CE Form
