

EDUCATION, AWARENESS, & TECHNOLOGY

NEW MEXICO WATER WELL WORKSHOP

July 12, 2024

State Bar of New Mexico

5121 Masthead NE, Albuquerque, NM 87109

PROGRAM

Groundwater Champions

Welcome to the 2024 New Mexico Water Well Workshop!

The objective of American Ground Water Trust workshops is to provide practical, cost effective solutions and information to help maximize economic return on pumped groundwater. Attendees will have the opportunity to learn about water well drilling methodology selection, well design, pump selection, pump rehab and pump troubleshooting, VFDs, well rehabilitation and water treatment.

Continuing Education

Approved by NMED for Water and Wastewater Utility Operators (7.25 hrs)

Approved by NMOSE for Water Well Drillers (6 hrs)

Certificates are available for all attendees upon completion of CE Form
