

EDUCATION, AWARENESS, & TECHNOLOGY

UTAH WATER WELL WORKSHOP

August 8, 2024

University Guest House & Conference Center
110 S. Fort Douglas Blvd., Salt Lake City, Utah 84113

PROGRAM

Groundwater Champions

Welcome to the 2024 Utah Water Well Workshop!

The objective of American Ground Water Trust workshops is to provide practical, cost effective solutions and information to help maximize economic return on pumped groundwater. Attendees will have the opportunity to learn about water well drilling methodology selection, well design, pump selection, pump rehab and pump troubleshooting, VFDs, well rehabilitation and water treatment.

Continuing Education

Program approved by Utah DNR for 7.5 credits for Ut Well Drillers

Program pending approval for UT Drinking Water Operators

Certificates are available for all attendees upon completion of CE Form
