A 501(c)(3) non-profit education organization

CORPORATE MEMBERSHIP/SUPPORT

AGWT Membership provides you with an opportunity to get your name in front of the public, groundwater end-users, industry professionals and the decision-makers who are targets of the AGWT's education events and programs. We can recognize the contributions of member companies via our website, social media, at our events and in our program-related publicity. Announcements for AGWT programs are sent per year through multiple channels (print, email, mail, and social media). Most of our announcements also receive third-party forwarding via internet connections and by the organizations that we involve as program partners. The AGWT You-Tube video on water well drilling that can be accessed via our website has total viewing now more than 3,800,000!

Some companies and organizations provide support for our education mission by specific event sponsorship of workshops, conferences, webinars and our teacher education institutes. The details of this type of financial support opportunity (such as sponsoring lunch or a teacher field-trip) are listed event by event on the AGWT web-site. We welcome calls or e-mails to discuss the type of support and the forms recognition that are most appropriate for each company or organization.

The AGWT is also pleased to provide recognition of corporate support for items such as printing, computer equipment upgrades, employment of interns, web-site development or the creation of webinars.
