

CA PFAS Webinar Continuing Education Requirements

Webinar attendees must be present and participate in the entire training to receive continuing education credit. In order to verify this, **please note all of the following requirements must be met:**

State of California Water Operator:

- A short multiple choice and true/false exam will be given at the end of the webinar. You must score at least 75% to receive continuing education credit.
- Attendee must complete and sign the AGWT Continuing Education Form (see below)

Upon verification of receipt of replies to email questions and completion of the AGWT Continuing Education, the AGWT will issue you a Certificate of Attendance for the webinar.

Please print the AGWT Continuing Education Form and below if you would like to receive continuing education credit. If you have any questions, contact AGWT at 603 228-5444 or cheryl@agwt.org.
