

New England Well & Pump Webinar Continuing Education Requirements

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note all of the following requirements must be met:**

State of Maine Water Operator:

Webinar attendee requirements will be updated once we receive approval for continuing education.

State of Massachusetts Water Operator:

Webinar attendee requirements will be updated once we receive approval for continuing education.

State of New Hampshire Pump Installer:

- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar. Upon completion, AGWT will issue you a Certificate of Attendance for the webinar.

State of Rhode Island Water Operator:

- An exam will be given at the end of the webinar. You will need to answer 7 of the 10 multiple choice questions correctly to earn CEUs.
- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar. Upon completion of exam with a score of 70% and the AGWT Continuing Education Form, AGWT will issue you a Certificate of Attendance for the webinar.

State of Vermont Water System Operator:

Webinar attendee requirements will be updated once we receive approval for continuing education.

State of Vermont Well Driller:

- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar. Upon completion, AGWT will issue you a Certificate of Attendance for the webinar.

Please print the AGWT Continuing Education Form and AGWT Evaluation Form below if you would like to receive continuing education credit. If you have any questions, contact AGWT at 603 228-5444 or cheryl@agwt.org.

American Ground Water Trust Education Program
