

NJ & Atlantic Coastal States Well & Pump Webinar Continuing Education Requirements

State of New Jersey Water Operator:

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note all of the following requirements must be met:**

- Attendee must complete and sign the AGWT Continuing Education Form (see below)
- Attendee must complete the AGWT Evaluation Form to measure the quality of this webinar (see below)
- A question will be emailed once per hour following a presentation to verify participation. This email needs to be replied to **immediately**. Credit will not be given if you do not answer all 6 questions immediately following each session.

Upon verification of receipt of all 6 questions and completion of the AGWT Continuing Education and Evaluation Forms, AGWT will issue you a Certificate of Attendance for the webinar.

State of New Jersey Well Driller and Pump Installer:

Webinar attendee requirements will be updated once we receive approval for continuing education.

State of New Jersey Professional Engineer:

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note all of the following requirements must be met:**

- An exam will be given at the end of the webinar. You will need to answer 7 of the 10 multiple choice questions correctly to earn CEUs.
- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar.

Upon completion of exam with a score of 70% and the AGWT Continuing Education Form, AGWT will issue you a Certificate of Attendance for the webinar.

State of Maryland Water Operator:

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note all of the following requirements must be met:**

- An exam will be given at the end of the webinar. You will need to answer 7 of the 10 multiple choice questions correctly to earn CEUs.
- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar.

Upon completion of exam with a score of 70% and the AGWT Continuing Education Form, AGWT will issue you a Certificate of Attendance for the webinar.

State of Maryland Well Driller:

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note all of the following requirements must be met:**

- An exam will be given at the end of the webinar. You will need to answer 7 of the 10 multiple choice questions correctly to earn CEUs.
- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar.

Upon completion of exam with a score of 70% and the AGWT Continuing Education Form, AGWT will issue you a Certificate of Attendance for the webinar.

State of Delaware Water Operator:

Webinar attendees must be present and participate in the entire training to receive CEUs. In order to verify this, **please note the following requirement must be met:**

- Attendee must complete and sign the AGWT Continuing Education Form (see below) after the webinar.

Upon completion, AGWT will issue you a Certificate of Attendance for the webinar.

State of Delaware Well Driller:

Webinar attendee requirements will be updated once we receive approval for continuing education.

Please print the AGWT Continuing Education Form and AGWT Evaluation Form below if you would like to receive continuing education credit. If you have any questions, contact AGWT at 603 228-5444 or cheryl@agwt.org.
